Testimonials

“ We had a 120+ pax corporate year-end party at Masons Table and it was a very successful event. Everyone loved the venue - from its location, the (big & beautiful) space and the food. The place was well decorated for Christmas and the interior was simple & classy. Service was great and it's really amazing how the space can be transformed to fit the purpose. Our guests really enjoyed the party and it's only possible because of the great party space and team at Masons Table. ”

“ I am the co-chair for Prime Time events and have held two of our events at The Masons Table. The staff are so welcoming, the food is fantastic, and nothing gets missed out, such attention to detail. The room is beautiful, comfortable and quiet, perfect for a private event. Thank you to Jacks and the team there for helping to make our events a success. 🙏 ”
